*RI PRESIDENT-ELECT GARY HUANG SENDS
A MESSAGE.....*

Rotary International
President 2014 -2015

Mr C K Gary Huang - a Taiwanese national will take office as president of Rotary International for the Rotary year 2014- 2015.

He will be taking over the baton from current president Ron Burton.

He wrote a book in Chinese entitled: "Find Solutions, Not Excuses" and urged all Rotarians at the convention in San Diego to 'make things right'.

In his speech at the convention in San Diego recently, President -Elect Gary Huang urged all the District Governors from all over the world to lead by example. He asked them to beat last year's record contribution to Rotary Foundation which was \$750,00. After all the Foundation belongs to us. The old adage you reap what you sow comes to mind in that Rotarians do get back what we put into the Foundation.

He also stated that the first Rotarian is the Chinese philosopher Confucius whose thinking is very much aligned to the ideas of Rotary. He quoted: ' It's better to light a single candle than to curse the darkness' and declared ' Light Up Rotary' as the theme for the year 2014-2015 when he takes office.

How we light up Rotary is up to us and that is our challenge. Bring it on!

WHAT WE DID IN FEBRUARY

Bas , Sachie and Marcel went to Penang to participate in the cycle for peace event organised by the Rotary Club of Georgetown

Bas, Hery , Marcel and Gerard helped out RC of Bandar Sungai Petani to host 14 interactors and Rotarians on our beautiful island for the day - They had lunch , went on the cable car and a quick dip in the sea before heading back to the mainland.

Resorts World Langkawi donated used goods eg mattresses, television sets and DVD players and mini fridges. The beneficiaries were a local charity and As-Salam Orphanage.

President elect Hery completed the second part of her training as president. All that is left is for her and other Rotarians to attend the general assembly in April. The training was held in KL and spanned over the weekend.
